RUBBER BOWL

Defeat Kenmore, 22-0

Injury Riddled Rams Triumph

A Year Late - But We Made It

SOUVENIR ISSUE

By Denny Sohar

Despite injuries to key personnel the Garfield Golden Rams unleashed a devastating ground attack to overwhelm the Kenmore Cardinals, 22-0, before 21,300 fans at the Rubber Bowl Thanksgiving morning.

All the scoring occurred during the first two quarters of play. The first half featured outstanding defensive play by the massive Ram line. Sharp offensive thrusts penetrated the Card goal line three out of the first four times the Rams had the ball.

The Rams took the opening kickoff on their own 43 and marched all the way for the touchdown. **Cliff Watson, Jon Butash,** and **Ed Bender** handled the offensive chores. **Ed Bender** struck pay dirt from the three. The extra point attempt failed.

After the kick the Ram defense forced the Cards to punt. The Rams marched to the Cards' six and had to give up the ball. However, the Cards fumbled and the Rams recovered on the fifteen. From this point the Rams drove to the three. Fullback **Cliff Watson** scored behind a wedge from the three yard line. A jump pass from **Bob Pillitiere to Jim Wright** was good for the extra points to make the score 14-0.

Again the Ram defense forced the Cards to punt after the kick, and the Rams drove 57 yards for the third touchdown. Halfback **Jon Butash** ran his point total to 100 when he scored from the one to climax this drive. **Bender** scored the extra points on a power play over tackle. The half-time score was Garfield 22, Kenmore 0.

The Rams coasted in the second half as Kenmore controlled the ball. But the Rams came up with the big defensive play when they needed it. Several times at key moments Card quarterback Sonny Litz gazed at the sky as he was set on the seat of his pants by a fired up Ram defense.

The Cards managed to penetrate to the Ram sixteen once, but were thrown back to the 39 by a sterling defensive effort.

A Welcome Addition

Sh.....

Operation Amigos

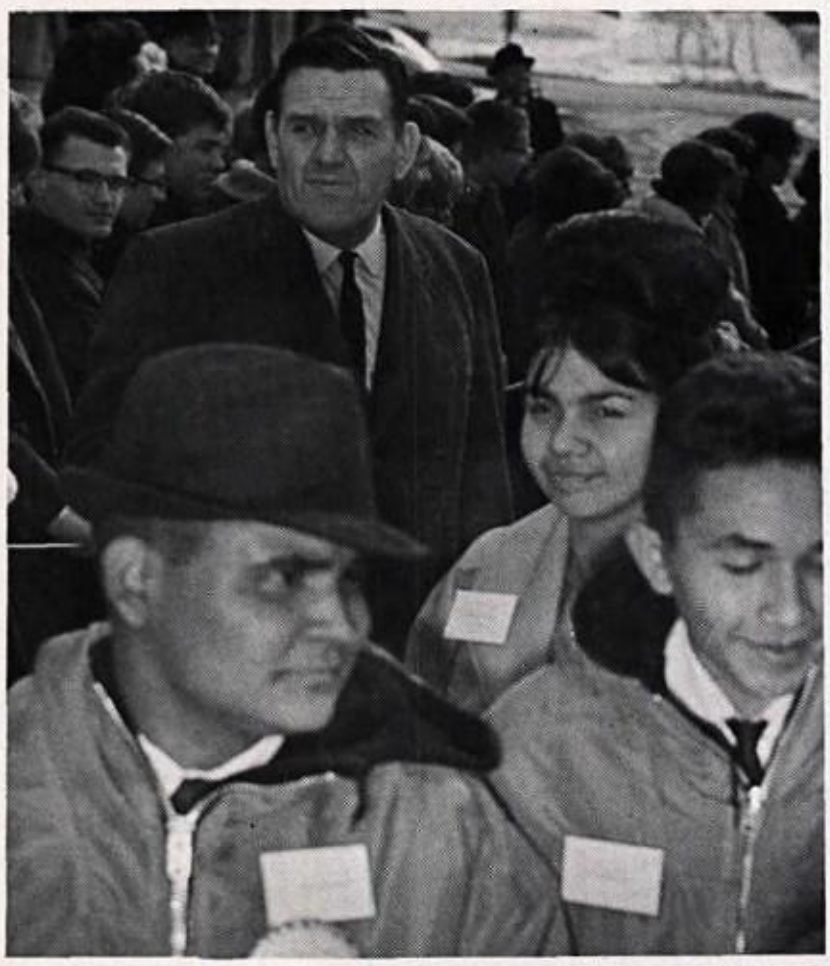
Tuesday, January 28, 1964 . . . Our South American "Amigos" arrived in Akron from Miami, Florida for a two weeks stay in our city. They were escorted to Garfield High School by bus where the Mayor of Akron, Mr. Erickson, our Superintendent of Schools, Martin Essex, and our Principal, Harlan Horton, were among guests at an official reception.

Outside the school, our visitors were welcomed by the student body and the high school band. After meeting with the host students and their parents, our South American friends were officially presented to the student body in an assembly in the school auditorium.

Thus began a wonderful two weeks acquaintance — both for us and for our new found "Amigos".

Martin Essex, *Superintendent*
Akron City Schools

Mr. Horton, Principal, was one of the persons in the crowd welcoming the Amigos to Garfield High School.



The Garfield High School Band added a bit of music to the occasion.

Our Appreciation To An Understanding And Excellent Teacher. . . .

Students at Garfield High School are continuously being exposed to the fine influences exerted by our Music Department. At times it seems as though "Music Fills the Air" during the entire school year — at assemblies, Christmas programs, athletic contests, special musical presentations and on other special occasions.

We, at Garfield, are proud of all the accomplishments achieved by our fellow students in this phase of our school life. The program permits such students as Judy Batton, *Vocalist of the Year,* and Martin Curtis, *Instrumentalist of the Year,* to gain the recognition they so richly deserve.

Much of the credit for our interest and appreciation for fine music, is due to the efforts of Mr. Robert Cole, our Music Director. It is he, who through his interest in students and the knowledge of his field, inspires us to greater effort.

In appreciation, we would like to say, "Well done, Mr. Cole," for your untiring efforts in our behalf.
